WINEMAKING

The grapes are harvested by hand and collected in 2.500 kilos wagons from three vineyards located in south Labastida with an average age of 20 years old.

Alcoholic fermentation is taken in stainless steel vats; it takes about seven days, short aging time of four months in new French and American oak barrels.

TASTING NOTE

Cherry violet color. In aromas we get wild berries, violets, aromatic herbs, clay and menthol notes.

Very Tasty in the mouth with fruity notes again of Raspberries and blueberries,

Violets and smoked caramel, all very well integrated.

Pairing with pasta, rice, tapas and white meat dishes.

Service temperature 13° C
